NEW WISDOM INVESTMENT LIMITED

Address: 4-306, xianglixincuen, Hongli West Road, Shenzhen, China Zip code: 518034

Factory Address : 4F, NO.9, Zhangbei Road, Longgang, Shenzhen, China Zip code: 518172

Telephone: +86-755-83911841 Fax: +86-755-28998861 Mailbox: info@wisdom.hk

The brightest, lightest, best choice

Main Business:

- LED miner's cap lamps
- LED multi-purpose lamps
- Charging equipment for lamps

An integrated company with Brand promotion, R & D,
Production, Sales and Supply chain

Our brand **WISDOM** is registered over 110 countries
Our lamps have been marketed to more than 80 countries

WISDOM

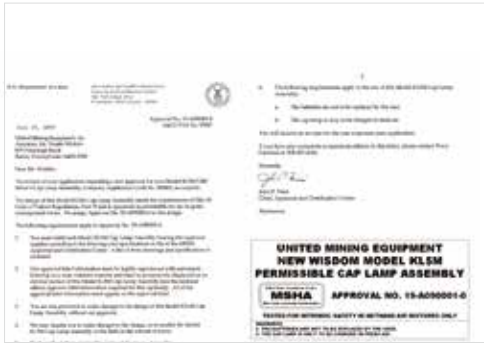

- NEW WISDOM INVESTMENT LIMITED keeps focusing on the research, production and sales of the cap lamp.
- WISDOM has been registered in 110 countries, and marketed to 100 countries worldwide.
- It is highly welcomed that WISDOM is developing into the civil lighting market in 2014.

Company introduction

Company introduction

The world's No.1 in the cap lamp industry! Unique multi-purpose lamp in the world!

- Mr.Ding Boping created **WISDOM** as a trade mark in 2002.
- WISDOM was established in Hongkong and the brand WISDOM was registered in 2002.
- We sold the first cap lamp in 2004.
- We developed and produced the first LED cap lamp with the brightness of 3000 lux in the world in 2006.
- We released the first 8Ah capacity miner cap lamp with the brightness of 12000 lux in the world in 2009.
- We released the first 12Ah capacity miner cap lamp with the brightness of 20000 lux in the world in 2009.
- We released the first all-in-one miner cap lamp with the brightness of 8000 lux in the world in 2009.
- Acquired MSHA explosion-proof certification of the United States, as the only Asian company in 2009.
- Launched world's brightest all-in-one Cordless2 with the brightness of 12000 lux in 2010.
- Launched world's brightest all-in-one Lamp3 with the brightness of 20000 lux in 2012.
- Acquired the British royal UKAS ISO9000 quality certification in 2012.
- Acquired No.1 market coverage of Peru, Colombia in 2013.
- Acquired No.1 market coverage In 2014.
- Acquired China's MA explosion-proof safety certification in 2014.
- Awarded National High and New technology enterprise certificate in 2014.
- Launched the originally innovated multi-purpose Lamp4 in 2015.
- All Wisdom lamp have been upgraded in the new year 2017.

Company Profile

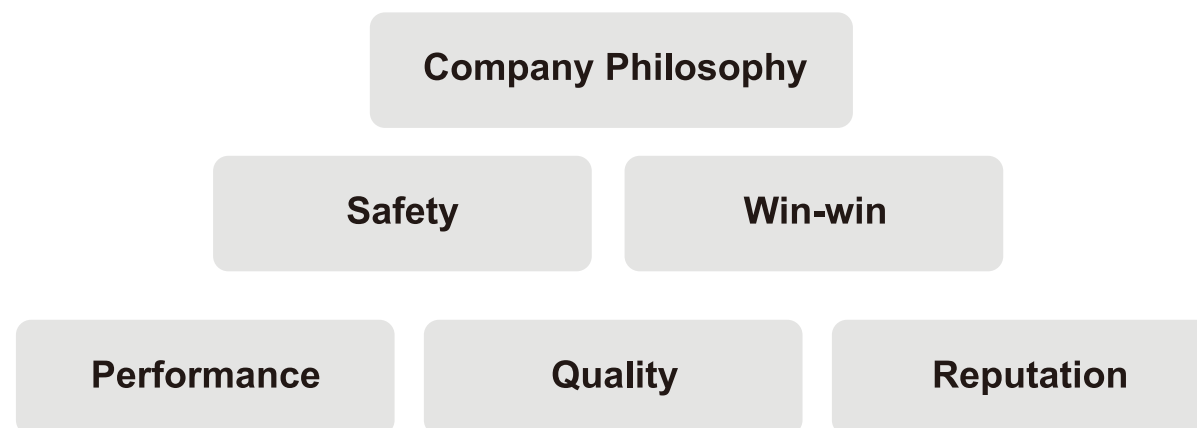

- **N**EW WISDOM INVESTMENT LIMITED is an integrated enterprise, which focuses on brand, R&D, sales, production and supply chain. We specialize in producing LED miner's cap lamps and charging devices etc. All products are of unique design, high tech and excellent quality. Several product performance indexes are in the leading position worldwide within the same industry.
- “ **WISDOM** ” as a brand trademark has been registered in around 110 countries. Our products have been selling to around 100 countries and we have obtained patents on invention of several product items.
- **N**ew Wisdom covers an area of 5,000m² with well-equipped R &D condition, bright and clean offices and complete production lines. We manufacture our products by high standard and strict quality control and we fully follow out ISO quality management system standard.
- **W**e have a professional IT development team, who apply the latest software and internet technology to proceeding an independent research and development on our own ERP. They study and analysis information collected from different departments in New Wisdom.

Part 2 Company philosophy

WISDOM's Vision:

Company Philosophy:

○ Quality

" **WISDOM** " uses the world top brands' raw material, such as Panasonic batteries. The 18650A we use is the same model battery with the American Tesla Motors; American Top grade CREE led light source is, customized and sealed specially for us; all plastic material is the top raw material imported from Germany Bayer.

○ Performance

" **WISDOM** " miner's cap lamp is the only diving cap lamp in the world, which can dive for 20m, we are the first one who apply the USB charging technology for the miner's cap lamp. WISDOM is the first company who extends miner's cap lamp into the civilian market.

○ Safety

" **WISDOM** " concern most about the safety of mining field. Through years' and achieved research, and development. We has improved in many aspects of brightness, color temperature, penetrating, extremely low failure rate. It greatly changes the experiment of the underground miners, and effectively reduce and prevent safety problems because of fatigue and invisibility, it lays the foundation for safe production, quality assurance, high efficient production.

○ Reputation

" **WISDOM** " regards reputation as the foundation of cooperation, and always put the customer's benefit in the first place. We always insist to other best products at a fair price, and warm and thoughtful service, price transparency, full support of after-sales service. To establish long term cooperation relationship with customers.

○ Win-win

" **WISDOM** " have well-equipped with various production and inspection facilities, which rank top level in the same field, Which can make sure that we can transfer ideas to the real products quickly, and continuously improve the products based on the existing products. We have passed the most strict and most authoritative international quality certification system. With standard management and perfect service, WISDOM is your ideal partner.

Part **3** Products

Product List

Our products can be widely used for:

- Power Bank
- Camping, Travelling, Cycling ,Diving,exploring,riding
- Tool, Maintenance Lighting
- Fishery, Diving, Fire-Fighting
- Military, Architecture, Living
- Furniture, Farm lighting
- Night fishing, Car-Carrying, Road and railway lighting forest farm

WISDOM LAMP 2/3

New generation cordless lamp

**Brightest, Lightest,
Most Beautiful**

The multi-purpose cordless Wisdom lamp2/3 is perfectly created with industrial design, electronic design and user-friendly design, with super bright and super light, have 125g and 169g for option, lighter than iphone7.

part 4 All-in-one WISDOM LAMP 2/3

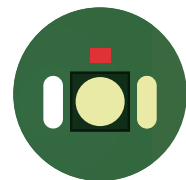

Features Of WISDOM LAMP 2/3

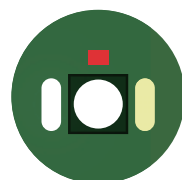

- Super Bright
211 Lumen LED light source
Up to 12000 Lux with advanced drive PCB
- Two Charging Ways
Traditional charging way with convenient charger
Portable charging way with USB
- Super Waterproof
With IP68 test report, which can dive 15m underwater
- Patents
More than 14 patents obtained, others are pending,
total more than 20 patents can be obtained
- High Standard
Meet U.S. FL1 standard
- SOS Function

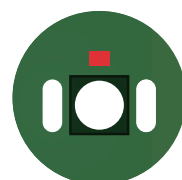

WISDOM LAMP 3 is chargeable with USB

60%

90% and up

Fully charging state

WISDOM LAMP 3 charging ways

New product is released

It can be charged by connecting any charging devices with USB charging port, very convenient and high efficient!

Magnetic USB wire

WISDOM LAMP 2 charging ways

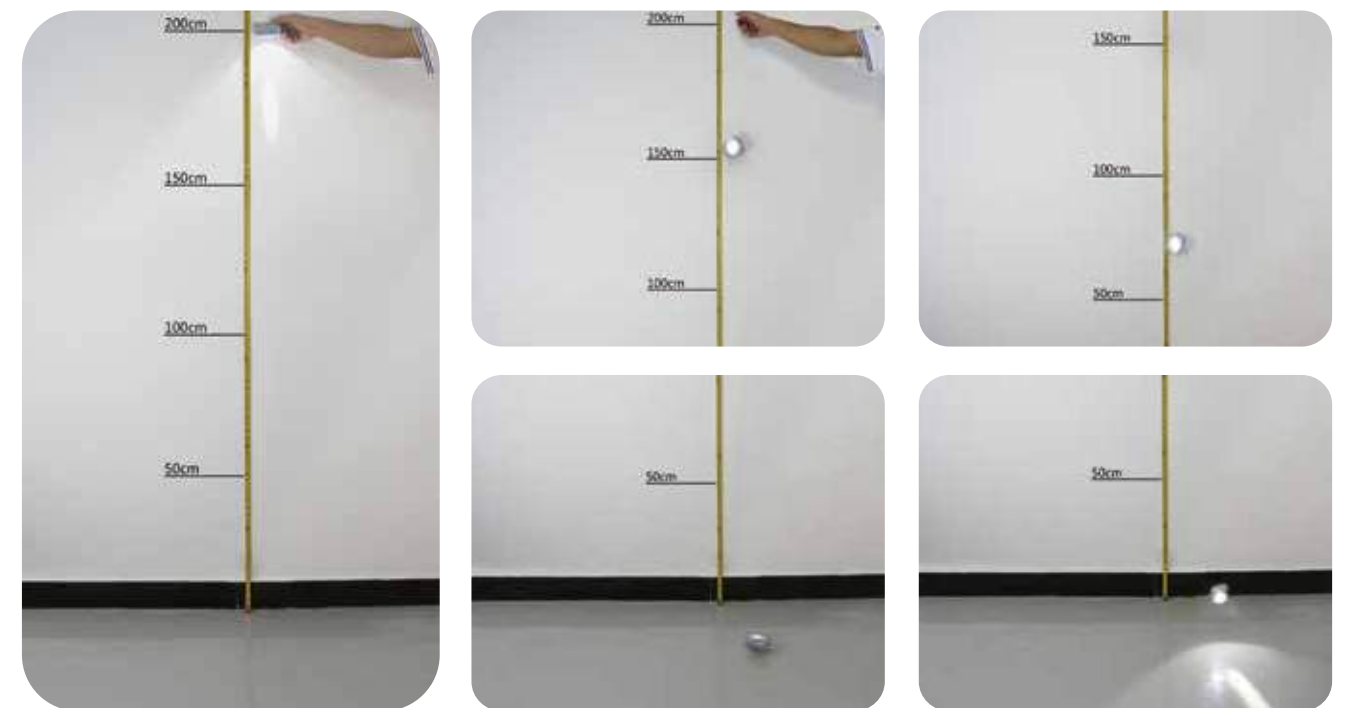

Diving to 20 meters

Much better than IP68 - the highest level for waterproof. Our lamps work normally for a long time at depth of 20 meters under the water. Pass through the 50 meters water pressure test. Super waterproof!

SUV full-size compression, rolled by car wheels twice without any damage

Strong and Durable

Passed MSHA strict test, no damage after dropping test for 20 times from 2m height.

Part 4 Multi-purpose Lamps

Features Of WISDOM LAMP 4

- High conversion efficiency as a power bank
- Output and input port sharing
Lamp 4 integrates power input and output, more convenient for users
- Automatic idle timeout protection
8 s without load after entering mobile power supply mode, the system automatically cuts off mobile power supply output voltage, makes it power off between two exposed power contact points and the product becomes more secure.
- Complete security protection functions
output overvoltage protection; battery overcharge and overdischarge protection; output over current protection; output short circuit protection; anti-discharge protection.

INFORMATION LAMP

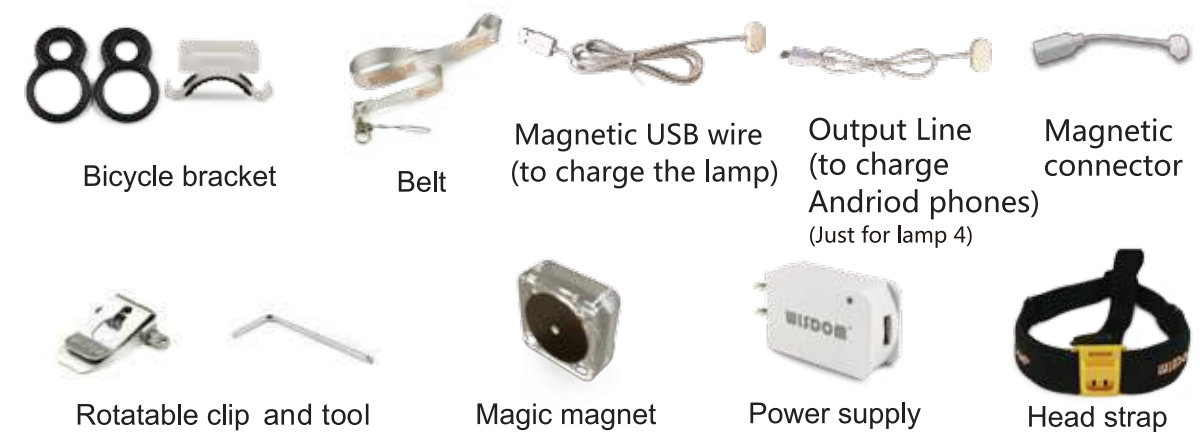

New Arrival!

POSITIONING LAMP

WISDOM LAMP 5/6 is coming at the end of 2017, which has all the functions of the WISDOM LAMP 4, moreover...

Optional accessories for WISDOM LAMP 3/4

Multi-purpose lens group

- Lens #1 can soften the light for near view with larger lighting range, which is very suitable for the lighting of entertainment such as gatherings.
- Lens #2 can soften the light for near view with smaller lighting range, which is very suitable for the lighting of reading.
- Lens #3, 5, 6 can narrow the lighting range, which is special for the lighting of bicycle riding.(beat is 5/6)
- Lens #4 is colorful with white, orange, red, green, blue, purple etc. It is very suitable for night warning.
- Lens #4 orange and red for warning.
- Lens #4 blue suitable for fishing small fish.
- Lens #4 purple suitable for fishing big fish.
- Lens#4 green suitable for recreation

Application scene of optical lenses

Lens 1: Soft Light Lenses

Lens 4: Colourful Lenses

Using optical lens #2

The light distributed evenly after using optics lens #2, very suitable for short range reading

Not using optical lens

Using optical lens #6

The lighting area of strong light is extended after using optical lens #3, more suitable for night riding

Not using optical lens

Multi purpose lamp application scene

For exploring

For SOS

For night fishing

For riding

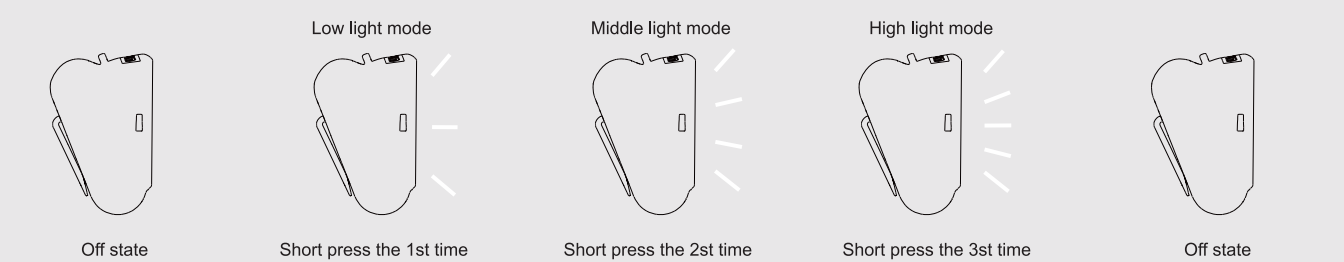

For camping

part 5 Product Advantages

Appearance Advantages

- WISDOM cap lamp weighs obviously less than other products in the same brightness grade; the lightest model weighs only 128g, lighter than most smartphones.
- Surface matte designed, holding in hand very comfortably.
- Ergonomic design: smooth, rounded corners, streamlined profile, gives people natural and comfortable visual experience!

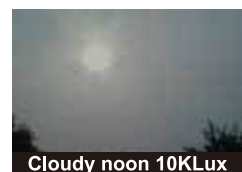

Center Offset Advantage

- Center Offset: Distance between the center of gravity and the fulcrum, determines the user experience.
- WISDOM: <15mm Peer vendors: >25mm

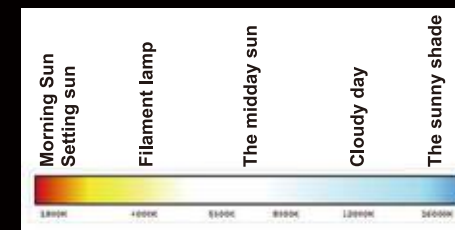

Performance Advantages

- Brightness** Brightest in the industry, brightness reaches 28000Lux.

Color Temperature

Working under bluish light would be easy to get visual fatigue, while pure white light avoids that.

WISDOM lamp color temp is 6100K

WISDOM sun white

Peer vendor bluish

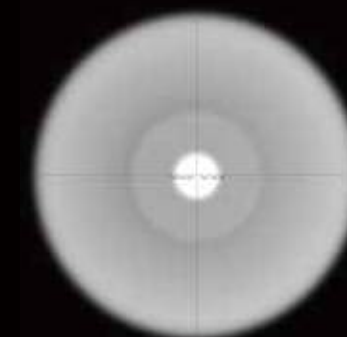

We Are True white!

Lighting Area

Within the common working distance of 3 to 5 meters, WISDOM's lighting area is wider than other brands.

DIST	WISDOM	Peer Vendor
1m	80	70-100
3m	250	175-300
5m	410	215-375
10m	975	415-890

Dia unit : mm

WISDOM

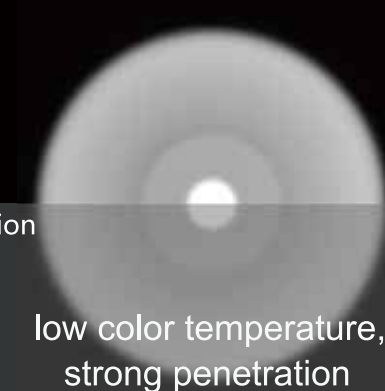

Peer Vendor

Penetration

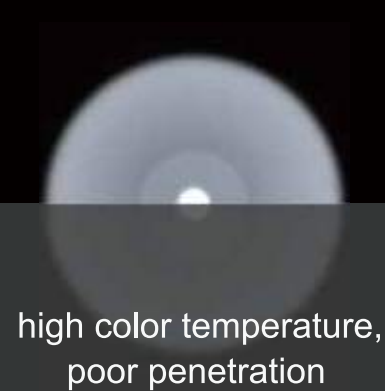

The penetration of the white light with low color temperature is much stronger than that with high color temperature (bluish).

Normal condition

Dust and fume condition

WISDOM

Peer Vendor

part 6 Honors and Awards

NEW WISDOM has been awarded the title of “National High-Tech Enterprise” in 2014, which is one of the highest honor for the technology enterprises in China.

WISDOM is the first country in Asia to get MSHA approval in 2009, the approved model is KL5M, and many other models have been on the application process . MSHA is the most authoritative approval on explosion-proof and safe level, which is highly recognized by American and Latin American mining cap lamp markets.

WISDOM is also approved by MA. The products with MA approval can also get explosion-proof certificate issued by the national inspection agency and AnBiao national mining products, which is a strong proof of the explosion proof and safe performance. This means our lamps can be absolutely used for underground lighting.

Protect customer rights

Current situation

It is a common view that manufacture sham and shoddy commodities is evildoing which could be a great hazard to consumer rights. As the world's best miner lamp manufacture, WISDOM found many Chinese factories produce sham products under WISDOM brand. It has brought very bad effect on our brand. Furthermore, it has put the world's mining companies into great danger.

Our attitude

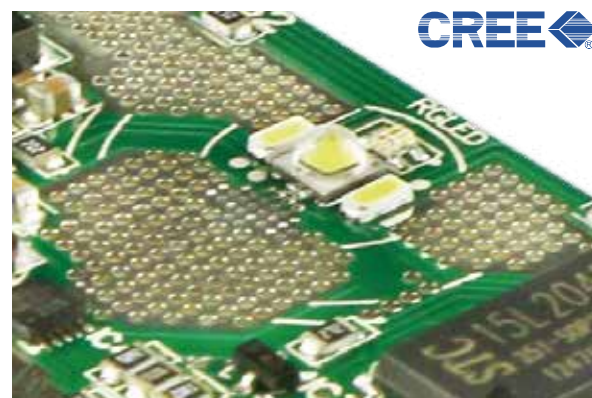

As industry's leading brand, WISDOM have great responsibility to fight against brand violation. We will try our best to protect our customers' rights, eliminate safety threat to the world. Once discover, we will suit each single case with zero tolerate. We have worked with our government, together we will push fighting activity forward effectively.

Ongoing progress

We have built up a professional lawyer team to fight against crimes of manufacturing or selling shoddy commodities all over the world. We also work together with our customers to protect our common benefits. If you have encounter with this kind of situations, please contact our lawyer teams at any time.
